Mr. Collins –

Thank you for your timely notification. If you think the issue can wait, perhaps it would be better to arrange a call for early next week (the week of September 6th) when Walter will be available to participate.

Sincerely,

Juan M. Fajardo

Assistant Regional Counsel

Subject: Time for a quick call today on an emerging legal issue?

Eric, Juan and Walter:

We want to bring you in the loop on a legal issue that was recently raised by our outside counsel. It's certainly nothing to be concerned about or to raise any alarms, but in the spirit of collaboration, Mike and Frank felt that it was very important to make you aware of it as soon as possible. We would also appreciate your opinion and insights.

Are you free today for a 15 minute call?

Sincerely,

Al Collins, Sr. Director Regulatory Affairs
